# Your Questions Answered

## **We've got a date in mind for our wedding - what do we do now?**

Because we take wedding bookings so far in advance you should contact us as soon as possible to check availability. We sometimes have dates available up to the last minute, especially for less traditional days such as midweek and sundays, so it's often worthwhile giving us a call. At this point we can also arrange for you to come and visit the club, have a look around and discuss your general requirements.

## **You have the availability on the date we want, how do we confirm our booking?**

We will provisionally hold the date for you for a pre-agreed period of time, up to 7 days. To confirm your booking, all you need to do is sign and return a copy of the Terms & conditions of booking, together with your deposit.

## **When do we discuss the finer details?**

Your personal wedding co-ordinator will arrange to meet with you 6 - 8 weeks before your big day to discuss everything you will need to know; menus, flowers, table plans etc. They will be your main point of contact up until the day itself at which point your wedding host will take over and ensure your day goes smoothly. If you wish to meet any time beforehand, don't hesitate to contact us.

## **When do we need to agree our final numbers?**

To allow us to plan your wedding efficiently you will need to provide us with final guest numbers 30 days prior to the wedding.

## **When will we need to pay the final balance?**

Full payment of the balance is due 30 days before your wedding.

## **Who will be around on the day itself to make sure everything goes as planned?**

On the day itself you will be met by your wedding host who will be on-hand to provide their support and ensure everything happens exactly as you planned. They will have worked closely with your wedding co-ordinator beforehand to ensure they have a thorough understanding of every single detail, so you don't need to have any worries.
